

## GTM + O'BRIEN CUSTOMS & FORWARDING

GTM has teamed up with O'Brien Customs & Forwarding to offer premium international logistics services to clients in Australia. O'Brien's award-winning, multi-modal transportation services include door-to-door transport, dangerous and oversized cargo handling, and an online freight tracking system.

Both companies are independent freight forwarders. O'Brien and GTM staff give personal attention to customer cargo, meeting every client's logistics and supply chain needs.

The GTM/O'Brien partnership offers service comparable to any multinational company.

### LEADERSHIP TEAM

#### Shane O'Brien, Director

Shane has worked in the freight and customs industry for 37 years and has been a licensed customs broker for three decades. Prior to co-founding O'Brien Customs & Forwarding, he directed a wharf transport business and was the state manager of a customs/freight forwarding company.

#### Jan O'Brien, Director/Freight Forwarding Manager

Jan has 37 years of customs and freight experience and has been a licensed customs broker for three decades. Before co-founding O'Brien Customs & Forwarding, she was the state manager of a freight forwarding business. Jan has been instrumental in building O'Brien's strong forwarding division.

#### Mark Jackson, Customs Manager

Mark has more than 30 years of customs clearance experience and is a licensed customs broker. He understands applications of tariff concessions and consults with DAFF (Quarantine). Mark has a 100 percent audit success rate with the Australian Customs Service. He ensures shipments comply with all regulations and that customers pay the legal minimum amount of duty and GST.

#### David Wellington, Senior Account Manager and Consultant

David was the Australian Customs Manager at Danzas/DHL before founding Arrow Customs & Freight, where he was owner and director for 15 years. He merged his company with O'Brien Customs & Forwarding in 2015. David has been a licensed customs broker for 30 years and has extensive food industry experience.

#### Alison Parker, Overseas Liaison Officer

Alison earned a bachelor's degree in languages in 2007, and is fluent in English, Chinese, Japanese, and Korean. At O'Brien Customs & Forwarding, Alison ensures excellent communications with a wide range of the company's overseas partners
